

Please note that this is just the last (or first) part of the information need in order to provide you with an expedited quote. Please make sure to select the project specifics for your toilet partitions, from our quote request form.

Do you need urinal screens? Will they be standard wall hung? How many? Please provide information.

1. Draw the current wall locations. They should be marked in such a way to designate them as walls. This usually means a double line or hash marks.

2. Please provide widths of all stalls, (measured to center of panel) Also provide the depth of each stall.

3. Draw in the toilet walls and door. Please be sure to show which way the door will swing,
